Thanks Dan. I had not seen it. I knew that Stuart included this in his email signature but didn't realize he also put this in his syllabus.

Honestly, I find that this is an issue that we need to raise with HR and with OMA&D. I find that the university is set up in such a way that we can't do anything against the types of behaviors that Stuart and Pedro are exhibiting.

Hey there-

I just wanted to make sure you had both seen this:
